

O que está incluído

1. Pôster da tabela de digitação
2. 10 músicas fáceis com notas em letras e diagramas de digitação
3. Diário de estudo (duas semanas por folha)
4. Tabela de adesivos de recompensa
5. Flashcards de notas (imprima frente e verso e recorte)

Dicas para a sala de aula

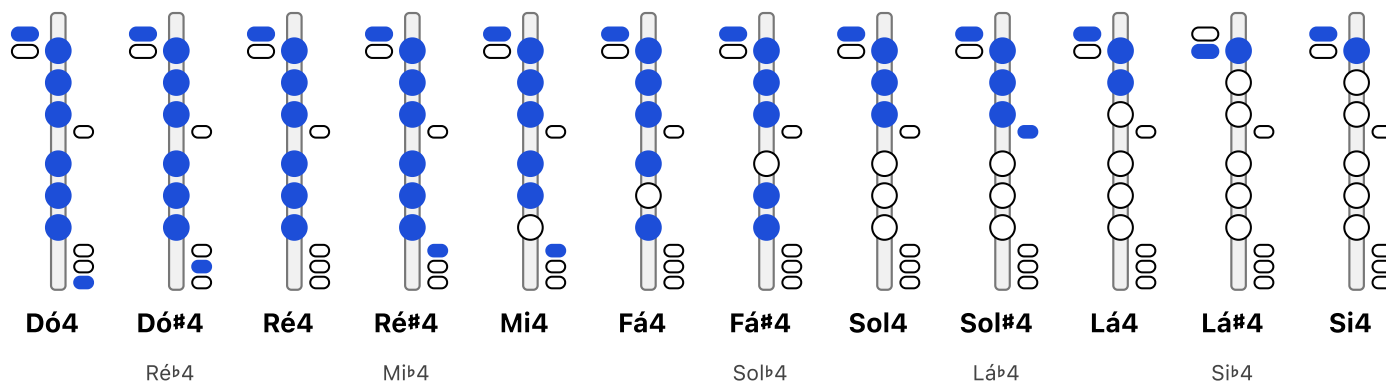

- Projete a tabela interativa em modo tela grande em flutefingeringcharts.com/pt/flute-fingering-chart.
- Comece com Si, Lá e Sol, depois acrescente Dó, Ré e Mi antes de passar para as músicas.
- Fotocopie o diário de estudo para cada aluno e recolha toda semana.

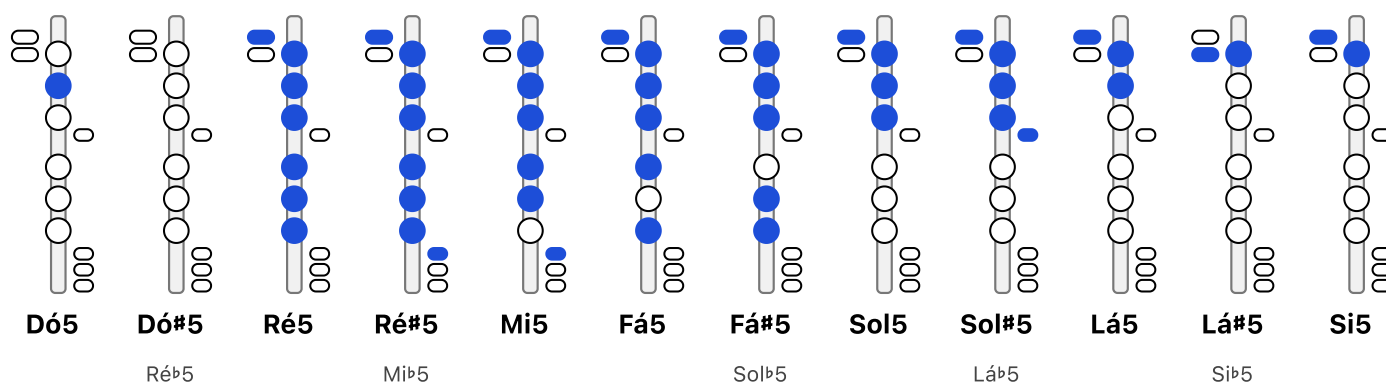

Tabela de digitação de flauta

Flauta transversal · pé de Dó · chaves fechadas · **cheio** = apertar, **vazio** = deixar levantado

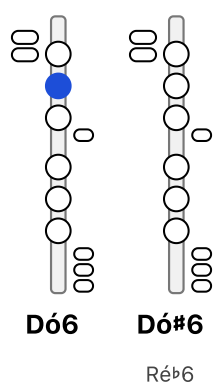

Primeira oitava (Dó4 a Si4)

Segunda oitava (Dó5 a Si5)

Terceira oitava (Dó6 e Dó#6; notas mais agudas em breve)

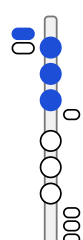

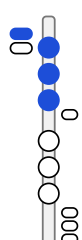

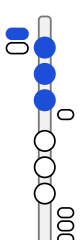

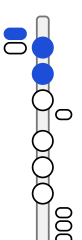

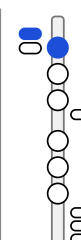

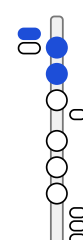

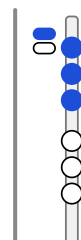

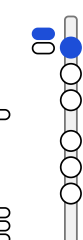

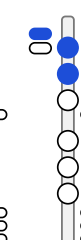

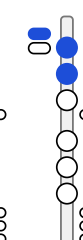

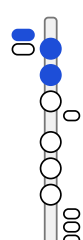

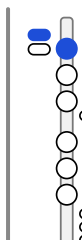

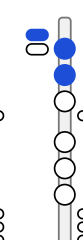

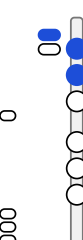

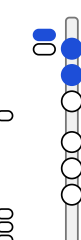

Cada diagrama é lido de cima para baixo: chaves do polegar esquerdo (abas à esquerda), dedos 1 2 3 da mão esquerda, a chave de Sol#, dedos 1 2 3 da mão direita e as chaves do mindinho Ré#, Dó# e Dó (abas à direita). As notas da segunda oitava usam a digitação da nota uma oitava abaixo com ar mais rápido.
